

The Best is Yet to Come

Hello Church Family,

I have a strong feeling in my spirit that our church is about to experience a major season of blessings. Yes, The Park has been blessed previously. Yet this time, we are moving into something entirely different.

The topic of blessings flood my spirit as I prayed about starting my appointment as senior pastor of The Park.

A July sermon series is coming your way designed to empower, instruct and assure you regarding God's blessings in your life and our lives as a church family. The title is "**The Best Is Yet to Come**"...*Celebrating God's Blessings in Your Life*. Every Sunday in July, you will hear a Word from God on blessings.

As you know, we are blessed to be a blessing. That means we will be mindful of how we treat each other and how we reach out to the community- because God has been so good to us.

I hope you share my excitement about how God will show up and show out at The Park. Our response must be, "Here I am Lord, use me."

Please share this newsletter with friends, neighbors and co-workers. So many people are hungry for a blessing. Also consider purchasing CD's of the sermons on blessings as a means of hearing again and again what God has in store for you.

With Christian love –

Your pastor,
Dr. Sheron C. Patterson
