COAT DRIVE

Sponsored by the Valder Beebe Show

WARMING COMMUNITIES... ONE COAT AT A TIME

Earlier this month, on one of the coldest nights in Texas history, a 62 year old woman froze to death sleeping at a shielded public bus stop wearing a jacket with a blanket covering her legs. Due to past safety concerns sleeping in a shelter, she felt safer on the streets but fell victim to the elements. She was discovered the next morning by her peers. God spoke to Valder's heart and told her, "no woman should die from not having a coat". Church family, please support this mission of collecting women and men's coats! Bring coats to the CLC after church this Sun., Jan. 28th and share your blessings. The Valder Beebe Show will be a vehicle for getting coats directly to those in need.
