Dear Church Family:

We would like to express our sincere thanks, gratitude and love to our AMAZING Hamilton Park United Methodist Church family! We praise God for the outpouring of His great love and blessings over Daniel during his recent surgery. He is now home resting and recuperating very well. We thank God for everyone who visited, called, brought or sent food, cards, gifts, and flowers. All were of great comfort to Daniel and brought joy to our family and lifted our spirits. Our family is especially appreciative of the many prayers, words of encouragement and support we've received throughout this time. Please continue to be in prayer. We love you all very much, may God Bless and keep you always.

Thank you from the bottom of our hearts!

The Ramos Family
