'THE PARK' FAMILY NEWS

After 20 years of serving the citizens of Dallas in Public Works Department, Dale Long decided to retire and move on to the next

chapter in life with his lovely wife, Ellen. Dale expressed, "I will miss great friends and colleagues who work in tandem to make things better for those who live, work and visit the City of Dallas. Hearing a citizen say, 'You've been a great help. Thanks!' truly made my day."

Brenda Jackson Napier retired recently from Cigna Group Insurance after 20 years of employment. During that time she held

positions as Nurse Case Manager Supervisor and Medical Staff Trainer. In her new role as a Retiree, she will (1) follow God's plan for her, and (2) increase her volunteerism and travel.

After 46 years of working with Oncor Electric Delivery, Chuck Robertson decided to begin a new chapter in life with his wife, Lulene. He retired on March 1, 2018.

After 46 years with HPUMC, Nina Booker Wilson married Bobby Blair and joined his church as man and wife. Everything happened so quickly for her that she didn't get to announce the move to her church family. Once her home

was sold, the marriage came next, followed by the move to and remodel of their new home together. Nina joined HPUMC right out of college from SMU. "Thank you for your love and support you have shown my children and me over the year. Forever memories and relationships have been created and I will always be connected and hopefully attend special events and visit occasionally" says Nina. At the conclusion of home renovations, Nina and Bobby are planning a reception and home blessing (in the Fall).

Forever Blessings, Love and God's favor for you All!
