## Father's Day Celebration

Father's Day is Sunday, **June 17, 2018**. Happy Father's Day to all the great Dads who are positive role models and who are the real men. The world loves and appreciates you. May God continue to shower you with His love and blessings.

We will have a "fantabulous" Father's Day celebration immediately following 10AM worship on June 17 in the CLC. If you would like a photo of your dad shown during the video tribute, please submit the photo along with names to [photos@theparkumc.org](mailto:photos@theparkumc.org) no later than June 9.

The Special Days Committee is requesting that all women in the church help with serving the special meal prepared for the Fathers. Special Days members will also be wearing bow ties for the occasion; and ladies, if so inclined, please join in by wearing your favorite bow tie!

## SPECIAL NOTES

Dear Hamilton Park UMC- Thank you for supporting me in my cotillion by buying an ad. I truly appreciate it and hope to make you all proud. It warms my heart to know that my church family supports me so much. I am very grateful for this blessing.

Sincerely,  
Jordan Hartman

Rev. Patterson & Church Family- Thank you for your visit and comforting prayer. The cheerful bouquet was heartwarming. Please continue to pray for me as I recover in the days to come.

Sincerely,  
Charles Bell & Family

To my Hamilton Park Family- Many, many thanks for your loving care and concern during my recent illness. Your prayers for a speedy recovery were felt – and I know they made a difference. Shirley, Remington, Russell, and I are grateful for your thoughtfulness. The cards, flowers, calls, pastoral visits and well wishes – the expressions of kindness are greatly appreciated.

Sincerely,  
Roger Bouyer

## 'THE PARK' FAMILY

Congratulations to **Myles Paul** for being the UMM 2018 Award recipient. Myles is the son of Rossi and Yvette Paul and he graduated from Mansfield Timberview H. S.

*Happy Anniversary Ed and Eloise Wells. They are celebrating four years of marriage. May God continue to bless you and your loving marriage.*

*The Board of Trustees would like to wish **Chief Meka** a very Happy Birthday. We appreciate all your fine cooking!*

## SOCIETY SECTION

We can no longer remain silent as more and more Black and Brown bodies are beaten and killed by Police across America and locally. Hamilton Park UMC is hosting a Community Conversation entitled **"The Churches' Response to Police Brutality"** on **Wednesday, June 27**. The event will run from **7:00pm until 9:00pm**. The first 30 minutes revolve around a panel of clergy and Dallas law enforcement leaders who provide their sides of the issue. A period of question and answer will follow. The final 45 minutes of the evening is devoted to strategies for improvement.

Thus far, Dallas County Sherriff Marian Brown has agreed to take part.

Please tell your friends and family about this vital event and plan to attend as well.

### Dallas Museum of Art

Joe and Herdercine Nash visited the ***The Power of Gold: Asante Royal Regalia from Ghana*** exhibit at the Dallas Museum of Art. The exhibit has over 250 gleaming gold items of regalia, colorful and intricately woven silk *kente* cloth, ceremonial furniture, staffs, and other significant objects related to Asante royals from the 19th through the 21st centuries.

'The Park' is planning to visit this exhibit as a group. Details coming soon. The Power of Gold is open throughout the summer until August 12.

## PASTOR'S BLOG

**Brothers Standing Strong in the Storms...**

**Need to ADMIT that there are Storms**

Men – The storms that you face today are huge. The storms can be health, relationships, crime, gangs and more. All storms produce stress. How are you handling the stress? Sometimes you'd rather ignore the problem than deal with it.

Are you stressing? Here are some signs: feeling tired, forgetfulness, inability to sleep, irritability, lack of motivation, and loss of concentration and an inability to complete projects. Stress can also cause physical problems, chest pains, digestive problems, elevated blood pressure, and elevated hear rate at rest.

Bottom line – please admit it, so you and God can fix it.

Here are a few tips to help you manage the stress.

1. Stay connected with God.
2. Stop pretending that you are not stressed.
3. Live in the moment and do not fixate on possible problems of tomorrow.
4. Accept that some things are out of your hands.
5. Change those things that you can, as quickly as you can.
