Dear Hamilton Park Church Family:

My heart is filled with love and gratitude from the offering of prayers and support I received during my Emmaus Walk #272, last weekend. I was surprised with all of the familiar faces of Hamilton Park Church members who made the journey to Camp Copass on the Saturday night of the walk for the candlelight and communion service. The love expressed was overwhelming. I am so blessed to be a member of the loving Hamilton Park Church Family.

Much Love,
Mary Nickson

To 'My' Hamilton Park Church Family:

Somehow just saying "thank you" doesn't seem like enough, but I hope you know how much your kindness, love, graciousness and most of all your prayers meant to me on my Emmaus Walk. Continue to pray as I move closer to being the disciple that God is counting on me to be. Thank you!

Blessings,

My Dearest Church Family:

My heart has been touched and my life tremendously impacted by my Walk to Emmaus. The outpouring of love and sacrifice, and sentiments expressed during my journey was not only special but proof of how great God's love is. Knowing that so many of you were praying for me, or even able to make the candlelight service, showed me how blessed I am. Thank you for pouring so much so much love back into me. Please continue to pray for me as my journey continues. Much love to you!

Getting to Know Our New Minister of Music

Q & A Part 1

With

Rev. Terrence Jennings

1. What is your hometown?
Plainview, TX
2. How did being a PK- "preacher's kid" influence you?
Being a preacher's kid taught me sacrifice more than anything. Many times during spring breaks, summer breaks, vacations, etc. my class mates came back telling stories about Disneyworld, the beach, or getting to fly in an airplane. However, revivals, youth lock-ins, church musicals, Pastor and Wife Anniversaries were always at the center of my stories. Through those experiences, I learned the importance of the church being the "community center". While some people are able to take vacations and breaks from attending church, we as a family had the responsibility of ensuring that those who attend worship services experience an effective ministry through song, prayer, and preached word.
3. How did you get into music?
At the age of 4, while I was supposed to be taking a nap, my mother and grandmother noticed that I was tapping the rods on the brass bed trying to make up a song. When I was supposed to bring my parents the phone, they realized that I had started pressing the buttons attempting to write a melody. Soon after I began exhibiting these behaviors, my mother insisted that I take piano lessons. Furthermore, my mother served as the music director at my childhood church and the churches where my father pastored. She encouraged me to play along with her until I was 9 or 10. Then I began accompanying Sunday School. Later, I was given the responsibility of assisting with the children and youth choir. I thoroughly enjoyed playing during worship services and receiving the affirmation that came with being a blessing to others by playing the piano and organ.
4. What instruments do you play?
I play piano, organ, drums, and saxophone.
5. Tell us about your music anointing?
1 Samuel 16:23 says, "Whenever the spirit of God came on Saul, David would take up his lyre and play. Then relief would come to Saul; he would feel better, and the evil spirit would leave him. While in college I served as an accompanist for 2 different churches in Abilene, TX. It was during my Junior year that I realized God's calling on my life transcends playing for church, accompanying choirs, and playing classical piano offertories. While these were activities in which I was trained and skilled, I soon realized that when I play, sing, and teach songs that I have prayed about and been led by the Holy Spirit to select, the effectiveness of the music shifted from performance to ministry.
