Rev. Patterson & Hamilton Park Staff,  
Thank you so much for allowing our family to worship at your church and witness in the baptism of Devin. We appreciate your willingness to open up your church and make room in your service for this special event. We thank the entire church family in attendance who were nothing but hospitable and kind to us. We are so very appreciative! God Bless!

To Dr. Patterson and the HPUMC Family,  
For the many expressions of love from the call, cards and flowers, please accept my special thanks on behalf of my family for the caring and concern you have shown us for the loss of my brother. We feel particularly blessed to know people like you who are so thoughtful and kind during a time like this. Thank you for everything you have done and for being the special family you are.
