Q&A with Art Mosley

What is it like to come home?

Growing up I'm HP was an exciting time in my childhood. It's where I learned the meaning of community and friendship. My fondest memories are fence hoping to retrieve various fruits from the trim fruit trees in my grandparents' neighbors' yards, having play time on the park and venturing down to Deadman's curb with my many cousins.

What experience prepared you for this job?

I would have never imagined that God would one day call me to be a servant in the church. My experience working with Dr. Clara Reed in the Metro District of the North Texas Conference of the United Methodist Church was one of the most exciting times of my work career and I will forever be grateful for the opportunity and lessons learned.

What can HPUMC expect from you?

Hamilton Park UMC can expect hard work, creativity, humility, loyalty and integrity from me. I am ready to serve and ready to help bring forth the Mission and Vision of the Senior Pastor and congregation.

PUTTING YOUR HOUSE IN ORDER

What legacy do I wish to leave?
 How can I share my faith and love of Christ with the next generation?
 What steps can I take now to assist those who will benefit from my estate?

Give the loving gift of preparedness to those you love; and share with them the true legacy of your faith journey. If you have not considered inheritance and charitable planning, it's not too late. Rev. Carol Montgomery, Senior Area Representative, Texas Methodist Foundation, will present "Putting Your House in Order," a seminar for adults, young and old. Included in the \$10 fee per person to attend the seminar is a 32-page workbook to guide you in making important decisions. Carol will discuss how our faith story should influence our estate planning; and walk participants through the requirements for a valid will and other estate planning tools. The workbook provides helpful information about needed paperwork, including samples of an appointment of guardian and a living will.
