SAFETY AND SECURITY MINISTRY

The church Safety and Security ministry had another organization meeting Saturday, November 3, 2018, in the CLC. The featured presenter was Jajuan Penny of the Federal Emergency Management Agency (FEMA). Mr. Penny reviewed the Guide for developing high Quality Emergency Operations Plans for Houses of Worship. The meeting was also attended by community partners from the Dallas Police department, Northeast Station, and the Dallas Fire Dept. Station #22. The presenters were well received by the Ministry. The Trustees give much thanks to our presenters and ministry volunteers. If you are interested in serving on this ministry contact any Trustee member.
