Thank You

Dear Health & Wellness Volunteers:

Thank you for participating in the 2019 Annual Health Fair at Hamilton Park United Methodist Church.

Our Mission Statement is "Save Just One"

This years Health Fair serviced over 100 people from the community with Flu Shots, Cholesterol Screenings, Blood Pressure checks, and Mammograms.

Testimony: There was a person sent immediately to the Emergency Room due to their blood pressure and provided with a doctor's contact because they did not have health insurance.

Additionally, the Mammogram Mobil unit appointment schedule was filled to capacity.

Our vendors were very pleased with the event and committed to returning next year.

It's because of your kindness and the giving of your time that allows this event to continue.

Each of you blessed someone at the Health Fair this year, I would like to say

Thank you!

Sincerely,

Sherial Zeno

Fall Festival was great fun! Many thanks to everyone who participated in Fall Festival and to those who contributed funds, food and candy. Your generosity and smiles make the day super special for everyone who attended.

Thanks again! Kathy, Children's Director

Pastors Reflections

Whew!! We made it!! Praise The Lord!
Church family, it has been a trying ten days without telephones and internet. Our church staff worked above and beyond to keep events flowing. Please thank them for their work.

Despite our inconveniences here, we know that many are still reeling from the tornados impact. It was our privilege and honor to immediately provide food and water to our neighbors after the tornado hit on October 28th. We also hand delivered boxes of food the next day. This church understands the urgency of being someone else's blessing. Now that we are up and running, I pray that we will be back to normal, working hard for the Lord!!

Thank you for your prayers. - **Dr. Patterson**

Have a Blessed & Productive Week!

FAQs about Pledge Cards

Who:

You are being asked to sign a pledge card to indicate the amount of money you would like to give to Hamilton Park UMC in 2020, by either a one-time gift, weekly, monthly, or another arrangement.

What:

What is a pledge card? It is a statement of intent by a church member to give a certain amount of money to the local church.

When:

We are asking you to spend the month of November praying on an annual amount that you can give in 2020. Then, complete the card and return it on one of the first three Sundays in December.

Why:

The Finance Committee needs an indication of what amount of money they can expect from the congregation. We understand that household budgets fluctuate during the year, so no one will harass you if you do not meet your pledge.

How:

The Advent season is the perfect time to dedicate and consecrate your 2020 plans to give to the church. Christmas is Jesus' birthday! That's why the theme of this Pledge Card Campaign is "Giving Our Gifts to the King!"
