Police Reform is something we all can work on!

In the wake of Derrick Chauvin's conviction, Dr. Patterson created an interracial group of moms to launch an online petition targeting police reform in our area. The petition is entitled, "Moms for Police Reform on Mothers's Day". Mother's Day was selected as the focus in an act of solidarity and compassion for mothers who have lost their sons and daughters to police violence. The petition is located on the platform Change.org.

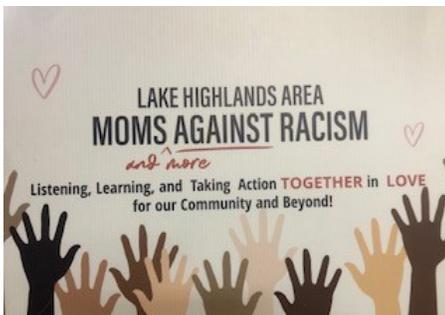

All people are asked to go online and sign, male and female.

"Say Their Name" Display is coming to The Park

The Lake Highland Area Moms Against Racism have teamed up with our church to bring their traveling exhibit called "Say Their Names" to our front lawn on Schroeder Road from May 8-25.

The display has traveled to many other churches as well as the Lake Highland High School. It includes over 200 photos of Black lives cut short by police brutality and racial violence. Those faces are children and adults,- including the faces of the 5 little girls killed in their Birmingham church, as well as Botham Jean and Merci Mack.

You can be a part of this- male, female, teens and adults. The display is being installed on Saturday, May 8 at 2:00. Please join us.

This event is presented by Hamilton Park United Methodist Church.
