It's Our 65TH Anniversary!!!!

OCTOBER 29 - ANNIVERSARY JAMBOREE

OCTOBER 30 - GUEST SPEAKER: **REV. HENRY MASTERS / CLOSING RECEPTION IN CLC AFTER SERVICE**

Our 65th anniversary has been exciting. We are illustrating our theme, **"Made up minds, still serving Christ."** It is warm warming to witness our church back in action from the pandemic.

Our guest preachers have all been stellar. We have saved the best for last! Please make every effort to attend worship on Sunday to hear Rev. Dr. Henry Master.

About last Sunday.....

We celebrated "Unity Sunday" with the Life DFW congregation, their choir and pastor Rev. Aaron McCardell. Rev. McCardell gave us a challenging word on the need to see the vision and work toward it.

The combined choir was majestic. When they sang **"There is no way"**, the house rocked.

If this was not enough, Rev. Aaron and his wife Stacey presented The Park with a generous gift!

Church family, we had an unprecedented amount of death in our congregation this year. Additionally, there have been numerous deaths in our individual families.

The grief that we share will be addressed collectively in a grief workshop on Saturday, November 19, 9:00- noon at our church. The presenters are Revs. Corron and Donald Sanders.

The need to address our grief was so strong that we placed the Prayer Conference on hold, and now focus on our grief.

We will observe All Saints Day on
Sunday, November 6, 2022.

In the [United Methodist Church](#), All Saints' Day is celebrated on the first Sunday in November. It is held, not only to remember Saints, but also to remember all those who have died who were members of the local church congregation.

On this day we will remember

Harvey Roberts
Homer Birdine
Stacy Logan
Curtis J. Lockett
Wilma Barnett
Dwayne Brantley
Dorothy Cooper
Hazel Kemp
Gloria Mitchell
Karen Harkey
Samuel Booker
La Quetta Francis
Elbert Winn

District 10:

Please join me and many Hamilton Park community ancestors **next Tuesday, November 1 at 4 p.m.** at 12225 Willowdell Drive as we commemorate the grand reopening of our Willie B. Johnson Recreation Center.

During my time as a public servant, I have learned that some celebrations are a little more significant than others. This is one of the big ones. Hamilton Park is one of the most significant communities in all of Dallas for its history, its strength and its people.

In 2017, groups of advisors working with City Hall decided to remove the Willie B. Johnson Recreation Center from the list of projects to fund in the 2017 Bond Program. I could not allow that to happen, and our community showed up.

Over 80 people from Hamilton Park and Lake Highlands came down to City Hall and advocated for long-overdue improvements. NBA champion and local leader Terrel Harris joined Coach Tevar Watson declaring the need for an indoor basketball court and to remove the chains that locked the fence to the original court. So many joined Thomas Jefferson, Gina Riley and Patricia Price Hicks to plead for a senior center and better amenities for our senior neighbors. Our Lake Highlands community and educators advocated for technology for our next generation. Our village emerged loud and proud.

Finally, we get to celebrate the fruits of our labor on November 1. This facility with first-class amenities will be a gathering place for neighbors for generations to come.

- The new facility is over 20,000 square feet larger than the original.
- New additions include a senior center, technology center and gymnasium.
- The new senior center includes space for indoor leisure-game activities, multi-purpose rooms with oversized TV monitors to facilitate community meetings, a teaching kitchen, a yoga room, dedicated restrooms and storage spaces.
- The technology center includes a recording center, multiple computer workstations and oversized TV-wall monitors that may be used to conduct digital presentations.
- The gymnasium addition includes a screened-in, covered balcony facing the park, hardwood floors and a vaulted, wood-simulated ceiling. It also includes articulated basketball-goal equipment, restrooms, lockers, retractable bleachers and a center-court, retractable curtain.
- The facility's parking lot expanded from 53 parking spaces to 86.
- The expanded facility is equipped with Wi-Fi.

This project includes new landscaping, the addition of approximately one dozen heritage trees along Willowdell Drive and re-aligned pedestrian sidewalks connecting the facility to nearby walking trails that run north and south from the facility.

I am forever thankful to all those who have fought for Hamilton Park, who have called this community home and who have demonstrated what it truly means to #LoveYourNeighbor in this neighborhood. Please join me at this event to remember on November 1, 2022.
