Peace Prayer

"Lord, make me an instrument of your peace,
Where there is hatred, let me sow love;
where there is injury, pardon;
where there is doubt, faith;
where there is despair, hope;
where there is darkness, light;
where there is sadness, joy;

O Divine Master, grant that I may not so much seek to be
consoled as to console;
to be understood as to understand;
to be loved as to love.

For it is in giving that we receive; it is in pardoning that we are
pardoned; and it is in dying that we are born to eternal life.

Amen."

GIVING DAY

9.21.23 presented by amazon

Dear friend of Methodist,

Help us help our neighbors. For 97 years, Methodist Health System has a trusted provider of health services and one of the oldest nonprofit health systems in this region. Methodist strives to fulfill its mission to improve and save lives through compassionate, quality healthcare in your neighborhood.

Methodist provides the highest amount of charity care (by operating margin) than any private, nonprofit health system in North Texas. In 2022, that number was \$138 million and because of the generosity of our friends, more lives were improved or saved.

On September 21, we hope you will strongly consider supporting the critical role Methodist plays in our communities. Every dollar raised on North Texas Giving Day goes directly to a Methodist program and project – something we are very proud of. Last year, Methodist Health System Foundation distributed \$11 million to community outreach, scholarships, capital and equipment, and indigent care.

We hope you will consider supporting our caregivers and patients by scheduling your gift today. Our impact is greater with your help, and lives are being improved and saved because of your generosity.

Thank you for participating in Kroger Community Rewards. As a result of our participation in this program, Kroger has donated approximately \$500 to *Hamilton Park United Methodist Church*. If you shop at Kroger and have not linked your *Kroger Plus Card* to HPUMC, please follow the steps below.

Go to: www.kroger.com/communityrewards

1. Sign in or create your digital account.
2. Search for your organization.
3. Enter the name or NPO number of the organization you wish to support.
4. Select the appropriate organization from the list and click "Save".

NPO# QU468 - Hamilton Park United Methodist Church

Your selected organization will also display in the Kroger Community Rewards section of your account. If you need to review or revisit your organization, you can always do so under your Account details.

Any transactions moving forward using the Shopper's Card number associated with your digital account will be applied to the program, at no added cost to you. Kroger donates annually to participating organizations based on your percentage of spending as it relates to the total spending associated with all participating Kroger Community Rewards organizations.

Losing Medicaid or CHIP?

3 Things to know about your health care options

During the COVID-19 pandemic, states were able to stop reviewing eligibility for Medicaid and the Children's Health Insurance Program (CHIP), and couldn't remove anyone who was enrolled in this coverage. As of February 1, 2023, states are allowed to restart those reviews. This means some adults and children may lose their Medicaid or CHIP coverage.

If your state tells you that you've lost or may soon lose health coverage through Medicaid or CHIP, you have other health care options. Here are 3 important things to know:

1. You can re-apply for Medicaid or CHIP to find out if you still qualify.
 - In all states, Medicaid and CHIP offer health coverage to some low-income people, families and children, pregnant women, the elderly, and people with disabilities. If your income level or medical needs change, you might qualify for Medicaid or CHIP in your state.
 - You can apply any time, and there's no limit to the number of times you can apply.
 - To re-apply for Medicaid or CHIP, visit [Medicaid.gov/about-us/healthcare-resources/index.html#statesmenu](https://www.medicare.gov/about-us/healthcare-resources/index.html#statesmenu) and find your state for next steps.
2. You may be able to get low-cost, quality health coverage through the Health Insurance Marketplace.
 - Most people qualify for savings on a health plan to lower their monthly premiums and what they pay when they get care. Savings are based on household income and size.
 - All Marketplace plans cover doctor visits, prescription drugs, emergency care, mental health, hospitalizations, and more.
 - Visit [HealthCare.gov](https://www.healthcare.gov) to find and enroll in a health plan, or call the Marketplace Call Center at 1-800-318-2596. TTY users can call 1-855-889-4325.
 - Submit a new or updated Marketplace application to see if you (or other members of your household) qualify to enroll in a Marketplace plan and get help with costs.
3. You may be able to sign up for Medicare without paying a late enrollment penalty.
 - If you now qualify for Medicare, but didn't sign up for it when you first became eligible, you have a limited time (called a "Special Enrollment Period") to sign up without paying the usual penalty.
 - Your Special Enrollment Period starts the day your state notifies you that your Medicaid coverage is ending, and continues for 6 months after your Medicaid coverage ends.
 - To sign up for Medicare during this Special Enrollment Period, fill out a CMS-10797 form and mail or fax it to your local Social Security office. You can also call Social Security at 1-800-772-1213. TTY users can call 1-800-325-0778.
 - For more information about Medicare, visit [Medicare.gov](https://www.Medicare.gov) or call 1-800-MEDICARE (1-800-633-4227). TTY users can call 1-877-486-2048.
