Peace Prayer

“Lord, make me an instrument of your peace,
 Where there is hatred, let me sow love;
 where there is injury, pardon;
 where there is doubt, faith;
 where there is despair, hope;
 where there is darkness, light;
 where there is sadness, joy;

O Divine Master, grant that I may not so much seek to be
 consoled as to console;
 to be understood as to understand;
 to be loved as to love.

For it is in giving that we receive; it is in pardoning that we are
 pardoned; and it is in dying that we are born to eternal life.
 Amen.”

—Francis of Assisi

Dear Family;

I am honored and privileged to share that the Dallas Chapter of the Huston-Tillotson International Alumni Association has established the Ruth E. Robinson Perseverance Scholarship. The goal is to provide sustainable financial support for students who demonstrate unrelenting grit and profound determination through their strong character and an unwavering determination to obtain their goal of earning a quality education in the face insurmountable obstacles and challenges. Quite often, these students seek to pursue their education through the *HBCU experience* (of which Huston-Tillotson University is a prime example). It is in environments carved out by these institutions that student potential is recognized, nurtured and developed. It is here where they find unorthodox paths that allow them to not only thrive but achieve, succeed and excel as scholars.

These remarkable young people are our treasures and tomorrow's leaders. Please join me and my family as we commit to supporting students who seek to be a part of the HBCU experience in search of reaching their goal of acquiring a quality education. Your donation in any of the following amounts will be greatly appreciated:
