The Right to VOTE!!!

January 1 is the first time that voters can submit the applications for ballot by mail – a task that needs to be done every year. I have attached an application for your benefit. You will notice that a lot of information is required and there are lots of options which we are ready to clarify. LWV Texas also has a great webpage on voting by mail <https://lwvtx.clubexpress.com/votebymail> which has some very helpful videos for how to fill out an application and also how to complete a ballot by mail.
